

**Mountain Lake Biological Station  
Summer Seminar Series  
2000**

**June**

- Thursday 08 **Zack Murrell** - Rare Plants and Restoration Ecology.
- Tuesday 13 **Courtney Murren** - Reproductive Ecology and Genetic Structure of an Epiphytic Orchid Across a Fragmented Habitats.
- Thursday 15 1) **Erica Crespi** - The Importance of Maternal Effects on Offspring Survival in the Redbacked Salamander, *Plethodon cinereus*. 15 minute SSE Meeting practice talk.  
2) **Brandi Van Roo** – Parental Care and Hormones in Vireos.
- Tuesday 20 **REU Proposals** - Special long afternoon session: **1:00 - 5:00 p.m.**
- Thursday 22 **Zack Murrell** – Morphology and Molecules in Dogwood Evolution.
- Tuesday 27 **Dan Simberloff** – Mayhem and Character Release: The Small Indian Mongoose on Islands Around the World.
- Thursday 29 **Julie Etterson** - Will Plant Populations Adapt to Global Warming? A Case Study From the Great Plains.

**July**

- Tuesday 04 No Seminar
- Thursday 06 **Charlie Werth** - Allopatry and Allopolyploidy: Adventures in Speciation of Pteridophytes.
- Tuesday 11 **Jonathan Shurin** – Local and Regional Influences on Zooplankton Community Structure.
- Thursday 13 **Laura Galloway** - Do Maternal Effects Have a Role in Evolution? Evidence From a Forest Herb.
- Tuesday 18 **Andy Dobson** – Nematode Parasites in Red Grouse.
- Thursday 20 **Walton Lecture: Doug Futuyma** – Insect Speciation in Three Acts.
- Sunday 23 **Sonia Altizer** - Conservation and Ecology of Monarch Butterflies in North America.
- Tuesday 25 **REU Final Reports, First Installment.**
- Thursday 27 **Matthew Etterson** - Parentage and Genetic Population Structure in a Southwest Oklahoma Population of Loggerhead Shrikes.

**August**

- Tuesday 01 **Betsy Von Holle** - Ranking the Components of Ecological Resistance to Invaders: An Experimental Manipulation in a Southern Appalachian Riparian Forest.
- Thursday 03 **David King** - Symmetry and Growth Rate in Saplings: Are Deciduous Species Curvier?.
- Tuesday 08 **REU Final Reports, Second Installment**
- Thursday 10 No Seminar
